

## **Kenneth Hatton - Senior Vice President – Global Development**

Kenneth Hatton is Senior Vice President, Global Development, at Belmond. The company has a global collection of 49 iconic hotels, trains and river cruises in 24 countries. He joined Belmond in January 2017 at a dynamic point in the company's history: the group is committed to a strategic growth plan to double the company's footprint by 2020. Mr. Hatton leads a team based in London, Dubai, (and soon, Singapore and USA) that is actively seeking development opportunities in the world's most inspiring and enriching destinations.
